Interested in being a collegiate athlete?

If you want to play NCAA sports at a Division I or II college, or an NAIA college, you need to register with the NCAA Eligibility Center or the NAIA Eligibility Center.

The NCAA (National Collegiate Athletic Association) works with you and your high school to help you prepare for life as a student-athlete. To register, go to the NCAA Eligibility Center website: www.ncaa.org

The NAIA (National Association of Intercollegiate Athletics) is the governing body of small athletic programs throughout the United States. To register, go to the NAIA website to check out schools and to register: www.playnaia.org

Please note that NCAA/NAIA requirements are separate from UC/CSU requirements.

Helpful Tips:

- ❑ Meet with your high school counselor and review/update your four-year plan to make sure you are on track for graduation and/or “A-G” courses, if planning to attend college.
- ❑ Maintain good grades (very important during 10th/11th year)
- ❑ Makeup needed classes for graduation and “a-g”, if planning to attend college
- ❑ Explore careers and majors: californiacolleges.edu
- ❑ Visit college campuses, take college virtual tours, attend college workshops at Tracy High, check Tracy High Bulletin or with Mrs. Arce, Career Center Coordinator for dates, attend college Preview Days
- ❑ Take PSAT 10 test in the spring semester of sophomore year.
- ❑ Register with NCAA and/or NAIA by end of junior year.
- ❑ Begin/continue community service activities- Remember, quality not quantity
