# Look it Up DON'T ASSUME

You are always encouraged to review course descriptions before you sign up for a class. Make sure you meet all of the requirements.

Counselors and teachers work together to make sure you are properly placed as well.

# Unique COURSE SELECTIONS

- If you are interested in being a TA/Lab Assistant (11th and 12th only). You must select a regular elective class first. Make a note of which class you want to be replaced.
- Contact the teacher you would like to TA/Lab Assist for. If the teacher would like to have you as a TA/Lab Assistant, they will fill out an online form with your name, ID #, and elective course you prefer to drop.
- If you are interested in Work Experience (11th and 12th only), you must select a regular elective class first. Speak with Mr. Rooney in AUGUST about applying for Work Experience.
- If you are interested in Leadership, Mr. Chitwood will post Leadership applications and instructions on the school website.
- If you are an ELD student, you will automatically be placed in your grade level ELD elective.

**Counselors will make changes once you have been accepted. Requests must work with your required classes.**
